

SEX

*Soft red berry aromas, fresh flesh,
tempted by the fruit*

Sex, our rose sparkling wine, is also our most provocative wine offering. This blend is produced from selected wine grapes from various vineyards, which are hand-harvested and whole-cluster pressed. The young wines are blended before being fermented in the cuve close method, producing the delicate natural effervescence. The dosage, which gives the wine its distinctive color, is produced from deeply colored red wine made from Regent. Finished Dry (1.4% residual sugar), the wine has ripe red-fruit scents, soft fruit flavors and a clean, rounded finish.
