

DETROIT

White flower aromas, playfully sweet, welcome to the party

Detroit is an exciting sparkling wine celebrating the city of Detroit and her people. This cuvee is produced from traminette, riesling, cayuga and muscat wine grapes from various vineyards which are carefully harvested and gently pressed. After fermentation the flavorful young wines are blended before being fermented in the cuve close method, producing the delicate natural effervescence. Finished Sweet (5.0 % residual sugar), the wine has muscat-like aromas, rich flavors; and is both full and sweet on the palate with balanced acidity.
